**Take a Walk Down Memory Lane
With Elizabeth Leight
August 6, 7pm**

Join Elizabeth Leight at the Maryland City at Russett Library as she celebrates nearly 10 years working for the West County Gazette. Interactive activities for the kids will keep them having fun as they listen to their families and friends reminisce. Photographs will be available to take home, many of them never before seen.

Calling all Boy Scouts!

The Laurel Historical Society has worked with local Girl Scout groups in an effort to offer programming tailored to fit their needs. We very much appreciate the help we've received from Girl Scout troops in the area! We are looking forward to continuing that relationship, but we would like to identify some Boy Scout leaders who can help us develop programming for their groups. If you are a Boy Scout leader interested in helping to develop programs that fit your needs, please contact the Museum.

We look forward to hearing from you!

Have a Bright Idea?

Share it with us at the LHS. We are always ready to hear your ideas for programming—whether it is lesson plan you'd like us to follow or a kid's Sunday event!

**The Laurel Museum needs YOUR help
planning our next exhibit!**

We need YOUR help in telling the story of Laurel in 2010! We are putting together an exhibit advisory group that will help guide the Museum in understanding what Laurel is like today. This group will also work with the community to find images that illustrate life in Laurel today.

This is an excellent opportunity for scout groups, school groups, and home school groups to become involved in a project with real results!
